

American Appendix Horse Association

Correction Form

Horse's Name _____ Registration Number _____

A free correction of the registration certificate may be made up to the 12th month following a horse's foaling date or six (6) months from the date the registration certificate has been issued, whichever is later. Such corrections shall not include a change of the horse's name from one which has been submitted by the owner. If corrections are to be made, please return this completed form to AAHA with the certificate of registration, and at least one clear, color photograph showing the change. This will expedite the handling of this correction and aid in accuracy. Photographs **CAN NOT** be returned.

1. If markings, scars or brand are to be corrected, please complete the diagram below.
2. If other corrections are to be made, state such corrections on the correction form.

- Please make corrections with a red pen if possible.
- Please enclose \$10.00 if correction is made **after** the 12th month following the horse's foaling date or six (6) months from the date the registration certificate has been issued.
